Dear Candidate,

We hope this email finds you well and excited for the upcoming assessment on 09 Sep 2023, as part of the Amazon ML Summer School Challenge. This is a friendly reminder to ensure that you don't miss your designated assessment slot.

**Assessment Slot Details:**

- Date: 09 Sep 2023
- Time Slot: 04:00 PM to 05:00 PM (1 hour window)

**Important Information:**

1. An email containing your assessment link has already been sent to you. You with the subject name - "**Amazon ML Summer School - Assessment slot -09 Sep 2023**" will need to open this email to access and attempt the test.
2. Please note that the assessment slot is fixed, and there will be no rescheduling allowed. Be sure to open your assessment email at the designated time.
3. Once you open the test within your designated 1-hour window, you will have 75 minutes to complete it. Make sure you allocate sufficient time and a distraction-free environment.

**Test Guidelines:**

- Ensure a stable internet connection.
- Use a laptop or desktop computer for the best experience.
- Close all unnecessary applications and browser tabs to minimize distractions.
- Have a pen and paper ready if needed for calculations or notes.

BLACKBOX AI

We wish you the best of luck with your assessment. This is your opportunity to showcase your skills and knowledge in machine learning. If you have any technical issues or encounter difficulties during the assessment, please reach out to our support team immediately at [mettl-support@mercer.com](mailto:mettl-support@mercer.com).

Thank you for your participation in the Amazon ML Summer School Challenge. We look forward to seeing your performance on 09 Sep 2023.

Best regards,

Amazon ML Summer School Team.
